The Board recognizes the Sac City Education Association or authorized representative of the Iowa State Education Association as the exclusive bargaining representative for the employees of the Sac Community School District, a public employer as set forth in the PERB certification instrument (Case No. 184) issued by the PERB on the 19th of September 1975. The unit described in the above certification is as follows:

Excluded: Substitute teachers, teacher associates, teacher aides, athletic/activities director duties and assignments not associated with classroom teaching, all non-professional personnel, and all other employees excluded by Section 4 of the Act.

B. Definitions

1. The term "Board" as used in this agreement shall mean the Board of Education of the Sac Community School District or its duly authorized representative.
2. The term "employee" as used in this agreement shall mean all professional employees represented by this Association in the bargaining unit as defined and certified by the Public Employment Relations Board.
3. The term "Association" as used in this agreement shall mean the Sac City Education Association or its duly authorized representative or agents.

ARTICLE II: GRIEVANCE PROCEDURE

A. Definition

1. Grievance. A grievance is an allegation by an employee or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Master Contract Agreement.
2. Grievant. A grievant is the employee or the Association who is making the allegation that there has been a violation, misinterpretation, or misapplication of the Master Contract Agreement.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances, which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedures.

- C. The failure of an employee or the Association to act on any grievance within the prescribed time limits will bar any further appeal. An administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits may be extended by mutual agreement.

D. Level One (informal)

A grievant shall first discuss it with the principal or immediate supervisor with the objective of resolving the matter informally. Such discussion shall commence within fifteen (15) school days of the alleged occurrence of the grievance.

E. Level Two

If, as a result of the informal discussion with the principal or immediate supervisor, a grievance still exists, the grievant may invoke the formal grievance procedure on his/her own or through the Association not later than seven (7) school days following discussion with the principal or immediate supervisor, on the form set forth in Schedule A. The written grievance shall state the nature of the grievance, shall state the articles or sections violated, and shall state the remedy requested. The grievance form shall be available from the Association representative in each building and said form shall be signed by the grievant. The grievance form shall be delivered to the appropriate principal or immediate supervisor. A copy of the grievance will be provided to the Association by the Administration.

The appropriate principal or immediate supervisor shall indicate his/her disposition of the grievance in writing within seven (7) school days of the presentation of the formal grievance and shall furnish a copy thereof to the aggrieved person and the Association.

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the seven (7) school day period, the grievance may be transmitted to Level Three within seven (7) school days.

F. Level Three

The superintendent or his/her designee shall meet with the grievant and the Association within seven (7) days of receipt of the grievance. Within seven (7) school days of the meeting

of the parties, the superintendent or his/her designee shall indicate his/her disposition of the grievance in writing and shall furnish a copy thereof to the grievant and the Association.

G. Level Four

1. If within the ten (10) school days following the formal third step, the Association with the consent of the grievant submits a request to the superintendent to enter into arbitration, either party may submit a written request for a list of seven (7) arbitrators to the American Arbitration Association. The selection of the arbitrator and the hearing shall be conducted in accordance with the rules and procedures of the American Arbitration Association.
2. The arbitrator so selected shall confer with the superintendent and the Association and hold hearings promptly and shall issue his/her decision not later than thirty (30) school days from the date of the close of the hearing or, if oral hearings have been waived, then from the date the final statements and proofs on the issue are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusion of the issues submitted. An arbitrator's decision on a grievance may not change or amend the terms, conditions, or applications of the collective bargaining agreement. The decision of the arbitrator shall be submitted to the superintendent and the Association and shall be final and binding on the parties.
3. The costs for the services of the arbitrator will be borne equally by the Board and the Association.

H. Level Five

1. The grievant may be represented at all stages of the grievance procedure by themselves or at their option by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at Level Two and beyond.
2. All decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and shall be transmitted promptly to all parties in interest and to the Association set forth in section on Arbitration.
3. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representative, heretofore referred to in this article.
4. It is expressly agreed and understood that no employee or the Association shall have the right to compel arbitration of a grievance without the written consent of the other.

I. Extension of Grievance Procedures

Grievance procedures that start or extend beyond the school year, into the summer, will proceed at times that are mutually convenient and agreeable to both parties. The time limits may also be extended by mutual agreement.
